RE: Virginia Department of Health One Time Supply Distribution

The Virginia Department of Health (VDH) Healthcare-Associated Infections (HAI) Antimicrobial Resistance (AR) Program is providing an opportunity to long-term care facilities in Virginia to make a one-time supply distribution request, using federal COVID-19 funds provided by the Centers for Disease Control and Prevention (CDC). Facilities have the option of choosing a Glo Germ kit, a fit test kit or both.

Use the link [here](#) to submit your request for this one-time distribution. Submit your request for supplies by May 12, 2023. Supplies ordered will be direct shipped to the facility.

If you have any questions, please reach out to hai@vdh.virginia.gov.
