RE: **TRAINING: Developing a Strong Infection Control Program**

We are thrilled to announce the next installment of the new comprehensive statewide Infection Prevention and Control (IPC) training program through a partnership between VDSS and VCU Gerontology CCE, *Developing a Strong Infection Control Program*. This training will feature a discussion regarding key components that should be included in infection prevention and control policy and procedures.

Register for this **free** and exciting training opportunity by visiting this link or scan the QR Code below:

This topic of the Infection Prevention and Control training will be held on April 5 , 2023 at 11:00AM Eastern Time.

**Please post this memo in a conspicuous place for all staff to access and sign up. More information will be forthcoming regarding the infection control training program and future training events.

For any questions relating to this training, please contact gerocce@vcu.
