RE: COVID-19 Vaccine and Booster Survey

In preparation for long-term care facilities (LTCFs) booster and 3rd dose COVID-19 vaccine support once the Advisory Committee on Immunization Practices (ACIP) and CDC guidance is released, the Virginia Department of Health (VDH) requests your urgent assistance in completing an important survey linked below.

VDH is trying to better understand how much additional COVID-19 vaccine will be needed to ensure ample access in LTCFs. Collecting this data is crucial and will help VDH plan accordingly to successfully support LTCFs.

Please visit <https://redcap.link/LTCF-PHARMACY> to complete the survey. We are strongly encouraging all assisted living facilities to submit the survey **by Friday, September 10, 2021.**

If you need assistance or have any questions regarding the survey, please email mounika.bazar@vdh.virginia.gov or sumaia.kamal@vdh.virginia.gov
