4. Contact your VDSS licensing office to schedule Phase II training.
5. Create and submit a functional design plan to your licensing office as soon as the building location is identified. *General Procedures for Information and Licensure 22 VAC 40-80-150*
6. Complete your initial child day center application and gather the required attachments.
NOTE: Background checks must be completed within 90 days prior to submitting an application. Original background checks **MUST** be available at the facility for inspection.
7. Attend Phase II training Information can be found at
https://www.dss.virginia.gov/files/division/licensing/cdc/intro_page/new_applicants/becoming_licensed/next_step.pdf Come with any questions you may have. Need new link
8. Submit your completed application to your licensing office. A complete application package includes the application, all required attachments, and fee made out to “Treasurer of

Virginia.” NOTE: A complete application must be submitted at least 60 days prior to the facility’s planned opening date. Submission of an incomplete application will delay the review process.

A licensing inspector will contact you regarding your application and guide you through the rest of the application process.
