A Licensed Child Placing Agency (LCPA) is any individual or agency licensed to place children in foster homes, adoptive homes, child-caring institutions or independent living arrangements.

Currently, some LCPA have more than one office covered by a single license. We are in the midst of a multi-year process which began July 1, 2016 to issue a separate license for each LCPA office.

For LCPA who have multiple offices operating on a single license, the branch offices are listed in the [child-placing agency directory](#).
