RE: VDH Lunch & Learn – Safe Injections Practices & Assisted Monitoring of Blood Glucose in Long-Term Care Facilities

The Virginia Department of Health (VDH) will be hosting a statewide lunch and learn webinar on **Wednesday, September 29, 2021 from 12:00 – 1:00 p.m.** pertaining to injection safety and assisted blood glucose monitoring in long-term care facilities (LTCF). The session will provide information on what Injection Safety and Blood Glucose Monitor resources are available for LTCFs and where to find them. All LTCF management and clinical staff and other interested parties are strongly encouraged to attend. Registration is required.

Please see attached announcement or follow [this link](#) to register for this very informative webinar. If you have any questions please feel free to email hai@vdh.virginia.gov
